Dear Health Care Provider,

Your patient has notified the College of their chronic health, sensory and/or physical limitation(s). In order to qualify for reasonable accommodations, a student must provide information to Student Disability Services and/or Academic Affairs about the functional limitations presented by their disability in chiropractic education settings. Information, provided by you, in Part II of this form will be discussed during the interactive accommodation request process and assists a student in their request to obtain reasonable accommodations at Palmer College of Chiropractic.

Failure to provide comprehensive information in this document may lead to delays in the delivery of reasonable accommodations or the denial of requested accommodations. Palmer College of Chiropractic cannot accept illegible forms.

Please direct any questions about Palmer’s accommodation request process to one of the college officials listed on page 6 of this document. This document comprises two parts:

**Part I: Authorization for Disclosure of Health Information - to be completed by the student.**
This form will be forwarded to the student’s health care provider for completion of Part II.

**Part II: Disability Verification and Recommendation - to be completed by the Healthcare Provider.** The evaluating professional completing this form should have training and direct experience in the diagnosis and treatment of adults in the specific area of the condition or disability. Additionally, the evaluator must be familiar with the student’s condition and be able to articulate how the student’s condition/disability impacts access to educational achievement in the classroom, laboratory, clinic and other chiropractic education settings.
