

PALMER COLLEGE OF CHIROPRACTIC

Refund Policy

Refund Policy

Palmer College of Chiropractic's Refund Policy for withdrawals is calculated using the official withdrawal date to pro-rate aid as well as tuition and refundable charges through the 60 percent point in the term. This is based on calendar days from the first day of the term through the last scheduled day of the term, including weekends and mid-term breaks of less than five days. After the 60 percent point in the term, financial aid will not be reduced for any withdrawal, nor will any refund of tuition or other refundable charges be granted. This policy applies to all College withdrawals whether student initiated or administrative withdrawals.

Financial aid awarded (if any) will be returned to the federal, state and Palmer programs on a pro rata basis through the 60 percent point in the term. Outside scholarship or non-federal loan assistance will not be returned unless specifically requested by the provider.

Eligible charges due or paid will be refunded on a pro rata basis through the 60 percent point in the term.
