

February 3rd. 2025

Dear New Students,

The Palmer Campus Store is committed to being a resource for your educational books, supplies, healthy snacks, Palmer apparel and gift items. As the Spring 2025 courses begin on campus, the Campus Store has worked closely with the college and will ensure you have the tools you need to begin your chiropractic education.

A computer is required for enrollment in the Bachelor of Science Program at Palmer. Please see the Palmer IT Standards document under ["Computer Recommendations"](#). In addition to the computer requirement, a computer privacy screen or privacy filter is required on all electronic devices used in the classrooms for testing purposes. Please note that the Campus Store does not carry the screen protectors. They are available on Amazon or other retailers.

Listed below are the required books for Spring 2025 Undergraduate Courses
