Student Code of Ethics
STUDENT CODE OF ETHICS

The Student Code of Ethics (Code) contains the policies, rules, processes, procedures and guidelines implemented by Palmer College of Chiropractic (College) regarding student conduct.

This information is very important to each student, and it is advised that students read through each section carefully. Any questions or concerns about this Code should be directed to the Coordinator for the Administration of the Code or his or her designee.

RESERVATION OF RIGHTS REGARDING THIS CODE

The College reserves the right, without notice, to modify its policies, rules, processes, procedures and/or guidelines; to change the content of this Code or to alter any other regulation affecting the student body; to place a student on interim suspension with or without filing a charge of misconduct; to remove a student on an emergency basis from its educational programs and activities whether the disciplinary processes are underway or not; or to impose discipline up to and including dismissal of any student at any time should it be in the interest of the College, or of the student, to do so.

PREAMBLE

The Student Code of Ethics (“Code”) is not intended to interfere with other applicable laws, policies or regulations that relate to ethical conduct. This Code should be interpreted as being in concert with rather than in conflict with other laws, policies and regulations whenever possible.

Students, as a condition of admission and continuation in the Doctor of Chiropractic Program, agree to abide by the Code. Students further agree to abide by all College regulations contained in the Catalog, Student Handbook, other publications and notices placed on official College bulletin boards, its portal, digital monitors, the Palmer app and/or website or disseminated via mail, email or other means. This includes students who reside in College premises; participate in preceptorships; and participate in any College programs on or off College premises.

Students also are expected to abide by local, state and federal laws. The College assumes its students will conduct themselves as responsible citizens. The College, therefore, reserves the right to dismiss any student at any time, should it be in the best interest of the College or the student to do so. It is the personal responsibility of every student to respect the rights of others and to conduct themselves with integrity.

PURPOSE

The intent of this Code is to ensure that students neither lose their rights nor escape the responsibilities of citizenship. Students enrolled at the College must be guided by the highest standards of ethical conduct. They are expected to demonstrate professional qualities when dealing with persons in the College community, chiropractic patients, College visitors, other individuals associated with or conducting business with the College and with the general public.

B. Each student shall be responsible for his/her conduct from the time of application for admission through the awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment (and even if their conduct is not discovered until after a grade or degree is awarded).

C. The Code shall apply to a student’s conduct even if the student withdraws from school while a disciplinary matter is pending.

D. The Code shall also apply to conduct occurring online such as harassment delivered by email or acts of bullying or discrimination posted in video form or on gossip sites.
E. These postings can subject a student to a charge of misconduct if information posted online relates to, supports or constitutes misconduct. The College does not regularly monitor online activities but may take action if and when such information is discovered.

**Article IV: Differences Between This Student Code of Ethics and Legal Processes**

A. **Internal Administrative Process**
   1. This Code does not mirror criminal or civil legal processes. This Handbook is administrative, not legal. Therefore, rules of law, evidence and criminal/ civil procedure do not apply and will not be utilized, with minor exceptions as specified in this Handbook.
   2. While the activities covered by the laws of the larger community and those covered by College rules may overlap, it is important to note that the community’s laws and the College’s rules operate independently and that they do not substitute for each other.
   3. Proceedings may be instituted against a student charged with misconduct that potentially violates both the criminal law and this Code (that is, if both possible violations result from the same factual situation) without regard to the pendency of civil or criminal litigation.

B. **When Proceedings May Occur**
   1. The College may pursue enforcement of its own rules whether or not legal proceedings are underway or in prospect and may use information from third party sources (such as law enforcement agencies and the courts) to determine whether College rules have been broken.
   2. Proceedings under this Code may be carried out prior to, simultaneously with, or following a civil or criminal proceedings at the discretion of the Coordinator.

C. **Cooperation with Law Enforcement**
   The Coordinator will cooperate with law enforcement in order that this Code does not interfere with the integrity or timing of a criminal investigation. At the request of law enforcement, the College may temporarily defer the fact-gathering portion of its investigation.

D. **Legal Determinations**
   Neither law enforcement’s determination of whether or not to arrest or prosecute a student nor the outcome of any criminal prosecution are determinative of whether or not ethical misconduct has been proven under the Code. The College cannot and does not determine whether a crime has been committed beyond a reasonable doubt. That can only be done through the legal process.

Determinations made or sanctions/discipline imposed under this Code shall not be subject to change solely because criminal charges arising out of the same facts giving rise to a charge of ethical misconduct were dismissed, reduced or resolved in favor of or against a student.
E. Special Considerations

When a student is charged by federal, state or local authorities with a violation of law, the College will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also being processed under this Code, the College may advise legal authorities of the existence of the Code and of how such matters are typically handled within the College community.

Article V: Reporting Violations of Local, State or Federal Law

Students are expected to abide by local, state and federal laws. Any student who has been convicted of; pled guilty to; did not contest; forfeited bail; or was granted a deferred judgment to any criminal conduct under law or ordinance shall notify the College.

Any student referred for prosecution may be subject to legal action in addition to disciplinary action initiated by the institution. Such legal action may include criminal charges that can limit an individual’s ability to obtain a license to practice chiropractic in certain states.

6. Threatening behavior toward a person’s job or well-being can be bullying and can consist of making threats, either explicit or implicit to the security of a person’s job, position or personal well-being. I. **Presumption of Innocence**
All Respondents are presumed innocent until a Hearing Panel finds misconduct was proven subject to a timely appeal.

J. **Charge(s) of Misconduct in Process or Pending**

1. College premises (including classes and/or clinics)
2. College activities and/or privileges
3. During the interim suspension, a College official may direct the student not to contact in any manner certain individuals as identified
Article IX: Informal Hearing Process

A. After the Coordinator provides the charge of misconduct to the Respondent, the Coordinator may then meet individually with the Filer and the Respondent to determine if the charge can be disposed of informally on a basis acceptable to the College.

B. Alternatively, the Coordinator (in consultation with the other appropriate College Officials including the College’s legal counsel), may dispose of the matter informally or refer it for hearing before the Hearing Panel.

C. Any informal resolution will be documented and maintained by the Office of Compliance.

D. Failure to comply with the resolution agreement may constitute separate grounds for a subsequent charge of misconduct under Article VI, Part I, Section Q1j which reads: Failure to comply with any sanctions imposed under the Code.

E. Use of the informal hearing procedure is not a prerequisite to initiating formal action.

F. If the charges cannot be disposed of informally, the charges shall be formally presented to the Hearing Panel.

Article X: Formal Hearing Process

A. Request for a Formal Hearing
   1. The Filer and/or the Respondent may request that the Coordinator schedule a formal hearing before the Hearing Panel.
   2. The College may also request that the Coordinator schedule a hearing before the Hearing Panel.

B. Scheduling a Hearing
   A time shall be set for a formal hearing, as soon as reasonably possible. Maximum time limits for scheduling of hearings may be set or extended at the discretion of the Coordinator. If the Respondent chooses not to attend the hearing, the hearing will proceed. No Respondent may be found to have engaged in misconduct solely because a charge was filed or because of failure to appear before the Hearing Panel.

C. Appointment of Hearing Panel
   The Coordinator who administers the Code and its processes shall determine who hears and decides charges of misconduct.

D. Hearing Guidelines
   Hearings shall be conducted by the Hearing Panel according to the following guidelines:
   1. Hearings normally shall be conducted in private.
   2. Admission of any person to the hearing, with the exception of the Filer and the Respondent, shall be at the discretion of the Coordinator and witnesses may be excluded other than to testify.
   3. In hearings involving more than one Respondent or Filer, the Coordinator in his/her sole discretion may permit the hearings concerning each to be conducted separately.
   4. The Filer will have an opportunity to present any facts and/or evidence underlying the charges of misconduct alleged against the Respondent.
5. The Respondent will have an opportunity to present any facts and/or evidence in defense of the charges of misconduct alleged against the Respondent.

6. The Filer, the Respondent and the Hearing Panel will be given the opportunity to question any and all witnesses who present evidence. This opportunity to question is subject to the Coordinator’s authority to decide whether the Filer or the Respondent may question one another directly or whether either of them may question witnesses directly, or if questions must be submitted to the Hearing Panel to decide which of the questions to ask, and who will ask those questions.

7. The Filer, Respondent, Hearing Panel members or any witness may participate in a hearing remotely by video conferencing (provided they remain on camera), or other appropriate means, provided the identity of the person participating remotely is known to all parties, and all other guidelines and procedures described in this Student Disciplinary Code are followed.

8. Pertinent records, exhibits and affidavits may be accepted as evidence for consideration by the Hearing Panel at the discretion of the Coordinator.

9. All procedural questions are subject to the final decision of the Coordinator.

10. The Coordinator may reopen any hearing if charges of misconduct are amended or if the Hearing Panel requests additional evidence, which may include affidavits, exhibits and/or additional testimony.

11. There shall be a single, verbatim record, such as an audio recording, of all hearings before the Hearing Panel. The record shall be the property of the College. The Respondent will be given access for a personal opportunity to listen to the audio recording in the presence of the Coordinator or his/her designee. No one other than the Coordinator will be allowed to record the proceeding.

12. Criminal or civil court process, procedure and rules of evidence do not apply under this Student Disciplinary Code.

13. Charges of misconduct are presumed to have been made in good faith.

E. Advisors in the Hearing

1. During the hearing the Filer and the Respondent have the right to be assisted by an Advisor of their choosing, at their own expense. The Advisor may be an attorney.

2. Witnesses are not entitled to an Advisor.

3. If the Filer and/or Respondent retains an attorney, the Filer and/or Respondent shall notify the Coordinator at least three academic days in advance of the hearing such that the non-represented party and the Panel may have the opportunity to obtain their own attorney. The Filer and/or Respondent will be required to complete a FERPA College release form prior to the Advisor participating in the hearing.

4. Should either the Filer or Respondent decide to have an Advisor the Advisor should be selected as early as possible. In selecting an Advisor, the Filer and Respondent should make sure the Advisor has the availability and time to avoid unreasonable scheduling delays. Accordingly, the Advisor must adjust their schedules to comply with reasonably prompt time frames.

5. Upon selection of an Advisor by the Filer or Respondent, the Advisor is encouraged to accept the offer to participate in an informational meeting with the designated Coordinator prior to participating in the hearing.

6. An Advisor may participate in a hearing remotely by video conferencing (provided they remain on camera), or other appropriate means, provided the identity of the person participating remotely is known to all parties, and all other guidelines and procedures described in this Student Disciplinary Code are followed.
7. The Filer and Respondent are responsible for presenting his/her own case. Therefore, Advisors are not permitted to speak or to participate directly in the hearing.
8. The Filer and Respondent are expected to directly respond to questions. When a question is pending to be answered an Advisor may not consult with the advisee.
9. The Advisor may not speak on behalf of the Advisee or make a presentation on behalf of the advisee.
10. The Advisor may not author written submissions on behalf of the Advisee.
11. The College’s duty is to the Filer and Respondent not to either of their Advisors. All communications with the Advisor must be provided by the Advisee.
12. The College may remove any Advisor who fails to abide by the expectations of this process.

F. Deliberation Following the Hearing
After the hearing and any reopening, the Hearing Panel will deliberate by considering all of the relevant evidence and decide by majority vote whether the charge of misconduct has been proven.

G. Hearing Panel’s Decision
1. The Hearing Panel’s decision shall be made on the basis of whether it is more likely than not that the Respondent engaged in misconduct.
2. No Respondent may be found to have engaged in misconduct solely because a charge was filed or because of failure to appear before the Hearing Panel.
3. In all cases, the evidence in support of the charges of misconduct shall be presented and considered.
4. If the Hearing Panel decides that misconduct was proven, this Panel will then impose the appropriate sanction(s).
5. The Hearing Panel will communicate in writing its decision to the Coordinator.
6. The Coordinator will notify the Respondent, in writing, of the Hearing Panel’s decision.

H. Sanctions
1. The following sanctions may be imposed for misconduct:
   a. Warning: A written reprimand for misconduct.
   b. Loss of privileges: Denial of specified privileges for a designated period of time.
   c. Fines: Previously established and published fines may be imposed.
   d. Restitution: Compensation for loss, damage or injury. This may take the form of appropriate services and/or monetary or material replacement.
   e. Discretionary sanctions: Educational remediation, denial of academic credit, work assignments, services to the College, counseling, treatment or other related discretionary assignments.
   f. Clinic suspension: Separation from the Clinic (with the exception of receiving patient care) for a definite period of time. Conditions for readmission may be specified.
   g. College suspension: Separation from the College for a definite period of time. Conditions for readmission may be specified.

j. College dismissal: Permanent separation from the College.

2. This list of possible sanctions is not all inclusive.

3. More than one sanction may be imposed for any single finding of misconduct.

4. In deciding whether or not misconduct was proven, a Hearing Panel is not made aware of any prior charge(s) of misconduct; informal resolution(s) of such charges; formal proven charge(s) and formal sanctions imposed. This does not apply to charges involving failure to comply with a previous sanction. However, once a subsequent charge of misconduct against the same Respondent is heard by a Hearing Panel and such subsequent charge is proven, then the Hearing Panel is made aware of informal resolution(s) of charge(s); formal proven charge(s) and formal sanctions imposed. The Hearing Panel may then consider these matters in deciding appropriate sanctions.

5. Sanction(s) may be more severe for Respondents previously found to have engaged in misconduct.

6. The College may withhold awarding a grade or a degree otherwise earned until the completion of the process set forth in this Code, including the completion of all sanctions imposed, if any.

7. Factual findings leading to expulsion requires agreement by a unanimous Hearing Panel.

I. Other Consequences

The policies and rules that govern this College process and the policies and rules of other College processes generally operate independently and do not substitute for each other. Subsequently, a finding of misconduct may result in additional consequences outside the jurisdiction of this College process or render a student ineligible for things a student may otherwise be eligible for such as but not limited to the following:

- Financial aid
- Immigration Status
- Scholarships
- Awards
- Leadership positions
- Membership or participation in certain clubs and organizations
- Preceptorship

Please contact the appropriate College official for questions regarding other College processes.

Article XI: Appeals

A. A decision by the Hearing Panel may be appealed by the Respondent to the designated College Appeals official within 10 academic days of the written decision.

B. Such appeal shall be in writing without assistance by an advisor and shall be delivered to the Coordinator. An advisor is not part of the appeal process.

C. Except as required to explain the basis of new evidence, an appeal shall be limited to review of the verbatim record made before the Hearing Panel and supporting documents for one or more of the following purposes:

1. To determine whether the formal hearing was conducted fairly in light of the charges and evidence presented and in conformance with these procedures.
2. To determine whether the decision reached was based on substantial evidence, that is; whether the facts were sufficient to establish misconduct.
3. To determine whether the sanctions imposed were appropriate for misconduct found.
4. To consider new evidence that may be sufficient to alter a decision or other relevant facts not brought out before the Hearing Panel, because such evidence/facts were not known to the Respondent appealing at the time of the hearing.

D. Review of the sanction(s) by the designated College Appeals official may not result in more severe sanction(s) for the Respondent. Instead, following the appeal, the designated College Appeals official may, upon review of the case, reduce the sanction(s) imposed by the Hearing Panel.

E. After review of the above, the designated College Appeals official, in writing, may decide to:
   1. Affirm the finding of misconduct.
   2. Dismiss the charge(s), finding no misconduct occurred.
   3. Affirm the sanction(s).
   4. Reduce or dismiss the sanctions(s).
   5. Return the charge(s) to the original Hearing Panel for reconsideration.
   6. Return the charge(s) to the original Hearing Panel to hear further testimony.
   7. Submit the charge(s) to a newly constituted Hearing Panel.

F. Except for E5, E6 or E7 above, the decision of the designated College Appeals official shall be final.

G. The Appeal Official’s decision will be forwarded to the College Coordinator who will then communicate it to the Respondent, in writing.

Article XII: Student Records

A. The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records.

B. A charge of misconduct and all other documents submitted as a part of this Code, including investigations; the informal process; the formal hearing process; the appeal process; and the decisions are education records under FERPA to be maintained by the Office of Compliance.

C. Other than College dismissal, misconduct involving sexual misconduct, the College clinics, preceptorships, or any other Clinic program, disciplinary sanction(s) shall not be a part of the student’s permanent academic record, but may be made part of the student’s confidential record maintained by the Coordinator.

D. Two years after graduation, the student may, upon written application to the Coordinator, request that the student’s College confidential record be expunged by the Chief Academic Official of all disciplinary actions with the exception of the following which are maintained indefinitely:
   - College dismissal
   - Misconduct involving sexual misconduct.
   - Misconduct involving the College clinics, preceptorships, or any other Clinic program.
• **Misconduct involving clubs or organizations.**
• **Students who withdrew with pending disciplinary action.**

Expungement is at the sole discretion of the Chief Academic Official. The decision of the Chief Academic Official is final.

**E.** The disclosure of such records to persons other than the Respondent and College officials with a legitimate education interest is limited to:
1. Instances in which written consent of the Respondent is provided; or
2. To the extent that FERPA (and Title IX as applicable) authorizes disclosure without such written consent.

**F.** If the Respondent is a current student, no notation will be placed on the Respondent’s transcript of a complaint or pending disciplinary action during the resolution process. However, if the Respondent withdraws from the College while a charge of misconduct is pending, the Respondent’s transcript will reflect a withdrawal and a notation of pending disciplinary review. The notation is subject to later modification to reflect the outcome of the disciplinary action.
