

THE FUTURE UNFOLDS

**DISTINGUISHED
FELLOWS OF THE
PALMER ACADEMY
OF CHIROPRACTIC**

PALMER
College of Chiropractic

The Trusted Leader in Chiropractic Education®

Fellowship is awarded to those exemplary individuals who embody the principles set forth by Dr. David D. Palmer in 1965.

Fellows are chosen through nominations from current Fellows, the College's presidents, or the Chancellor and CEO. The rigorous selection process is completed by a committee of Fellows representatives and College leadership, with official inductees confirmed by the Palmer College Board of Trustees. Nominees are evaluated on their accomplishments and experience in the areas of the four principles, and honors bestowed on the select few who exemplify these principles. Nominees do not have to be a Doctor of Chiropractic or a graduate of Palmer College to be eligible.

Fellowship is the most prestigious peer award given by the College.

Eligibility criteria for Fellowship consideration includes:

- **Leadership**– Demonstration of the values of Palmer College which reflect the Science, Art, and Philosophy of chiropractic; achievement in educational, clinical, research and/or administrative/faculty/staff performance; and
- **Recruitment**– Efforts promoting Palmer College and the chiropractic profession to prospective students; serving as liaison for high schools or colleges; identifying and recruiting prospective students; and
- **Philanthropy**– Support of Palmer College demonstrated by a history of giving, especially support of The Palmer Fund, and support of capital priorities or endowment through lifetime and estate commitments; service as a fundraising advocate; and
- **Service**– Involvement with the College as a volunteer, event speaker, or student mentor; and representing the College through contributions to the chiropractic profession at a local, state, or federal level.

The Palmer College Song

Oh, we love our Palmer College, Top of Brady Hill to stay,
And we will not forget tho' we be far, far away
To the Fountain Head of Healing, Every voice will bid farewell.
An Image guides our footsteps as the chimes cast their spell.
One day a hush will fall, The footsteps of us all
Will echo down the hall and disappear.
But as we sadly start our journeys far apart,
A part of every heart will linger here in our
Sacred Alma Mater where we've lived and learned to know,
The precious Art of Healing
Leaves a Universal glow.

*Lyrics by Dr. David Palmer
To the tune of "The Halls of Ivy"*
