SPEAKER BIOGRAPHIES

Dr. Virginia Barber

Clinical Instructor, Palmer College of Chiropractic

Virginia A. Barber, D.C., M.S. earned a Bachelor of Arts degree in Classics from the State University of New York at New Paltz in 1985, graduated summa cum laude from Palmer College of Chiropractic in 1990, and has practiced in New York and Iowa. She joined the Palmer clinic faculty in Nov. 1994 and is currently a full professor. Dr. Barber was honored with the PCIAA Lifetime Teaching Award in 2001, and was named Palmer College's Outstanding Faculty of the Year in 2013. She is faculty advisor emerita to the Campus Guides organization, and works closely with the Admissions and Advancement departments on special projects for student recruitment and institutional support. Dr. Barber was named as a Palmer Fellow in 2018.

Dr. Barber has completed intensive evidence-based medicine training at McMaster University in Ontario, as well as training in narrative medicine at Columbia University in New York. Dr. Barber was granted a masters degree in health care ethics from the Creighton University School of Medicine in 2019. She lectures throughout the Palmer curriculum on topics in these and related areas.

Dr. Myles Carpenter

PalmerCare Chiropractic, Washington D.C.

Dr. Myles is from Annandale Virginia and a 2023 graduate of Palmer College of Chiropractic, Davenport, Iowa. He attended Old Dominion University for undergraduate school and received a bachelors degree in Exercise Science! He always knew he wanted to help people but didn't know how! Dr. Myles was introduced to Chiropractic his junior year of undergraduate school and was amazed with the benefits of care. Dr. Myles uses a plethora of techniques to help patients along their healing journey (Diversified, Gonstead, Activator, Flexion Distraction, Thompson, etc).

Dr. Anthony DeNeal

Senior Director of Physician Recruitment at Chiro One Wellness Centers www.chiroone.com

A high-performance coach, businessman, and entrepreneur; Dr. Tony DeNeal has over 20 years of extraordinary success. He is a 2003 graduate of Palmer College of Chiropractic, Davenport, Iowa. Currently, Dr. Tony is a Founding Partner and owner of Medulla, LLC which provides support and services to comprehensive chiropractic care companies Chiro One Wellness Centers and MyoCore Pain Clinics. Both are industry leaders in evidence-based, patient outcomes centered care.

Dr. Phillip Mosley

Regeneration Chiropractic Studios, Richmond, VA

Dr. Phillip Mosley's passion for holistic wellness and chiropractic care transforms lives. From overcoming personal athletic injuries to embracing a life of holistic health, Dr. Mosley's journey is a testament to the power of chiropractic in achieving optimal wellness. His foundation in Exercise Science and Holistic Health from Western Michigan University, and is a 2022 graduate from Palmer College of Chiropractic, Davenport, Iowa which has allowed him to share the profound benefits of chiropractic care with the greater Richmond community.

Dr. Mariah Payne

Agape Family Chiropractic, Munster, IN

Dr. Payne graduated with a Bachelor of Science Degree from Valparaiso University in 2013, and a 2016 graduate of Palmer College of Chiropractic in Davenport, Iowa.

Dr. Teri Payton-Dexter

Professor at Palmer College of Chiropractic

Dr. Teri Payton-Dexter is a 1986 graduate of Palmer College of Chiropractic in Davenport, Iowa. Throughout her career, she has served in private practice, in a variety of chiropractic groups, and on numerous committees.

Dr. Payton-Dexter has also presented professionally on campus safety, Title IV Laws, and Black history as it relates to the chiropractic profession. In 2017 she published and presented her work on "Inter-method Comparison of Supine and Prone Measures of Leg Length Inequality" at the Association of Chiropractic Colleges and Research Agenda Conference in Washington, D.C. She joined Palmer College as a clinical teaching resident in 1987 and was provided her first office space by Drs. Virgil and Victor Strang. She has served as faculty in a variety of positions on both the Florida and Main campuses and in Palmer's Quad City Clinics. She has taught chiropractic technique to over 4,500 students, a number that continues to joyfully grow as her career approaches the four-decade mark as a member of the faculty in the Technique Department.

Dr. Stanley Sims

Sims Chiropractic Clinic, Jackson, Mississippi

Dr. Stanley J. Sims, a native of Vicksburg, M.S., is the proprietor of Sims Chiropractic Clinic situated in Jackson, M.S. At his clinic, he offers chiropractic manipulation services to patients seeking chiropractic care. Dr. Sims is renowned for his expertise in handling complex health issues, often sought after for consultations on research within his specialized field. He holds memberships in several esteemed professional associations including the American Chiropractic Association, the Mississippi Chiropractic Association, and the American Black Chiropractic Association. Additionally, he is honored as a Diamond Level President Club member of Palmer College of Chiropractic.

Dr. Sims earned his Bachelor of Science degree from Jackson State University in 1993, followed by his Doctor of Chiropractic degree from Palmer College of Chiropractic in Davenport, Iowa in 1999. His contributions to his profession have been recognized through various accolades. He was featured in the inaugural edition of Who's Who in Black Mississippi in 2010 and was repeatedly honored as the best Chiropractor in Jackson, MS by the Jackson Free Press from 2016 to 2019.

Dr. Joe Taylor

Renewed Wellness

www.renewedwellness.net

Born and raised in West Palm Beach, Florida, experienced chiropractor Joseph L. Taylor, D.C., founded Renewed Wellness to help the communities in and around his hometown reach their best health and wellness through chiropractic care and functional rehabilitation.

Dr. Taylor graduated from Palm Beach Lakes High School in West Palm Beach. He went on to complete his bachelor's degree at the University of Florida, in Gainesville, Florida. While earning his Bachelors of Science in Zoology, he competed as a hurdler for the UF Track & Field Team. It was his long history with athletics and personal injuries while competing on the collegiate level that led him to Chiropractic.

Upon graduating in 2008 from UF he enrolled enroll at Palmer Florida, where he graduated cum laude in 2011.

Dr. Taylor began his chiropractic career working as an associate doctor in West Palm Beach before opening Renewed Wellness in May of 2016.

Dr. Taylor offers a whole-body approach to wellness, taking into account all aspects of a patient's symptoms, overall health, and lifestyle before creating a customized treatment plan to heal the underlying condition or injury causing pain for lasting symptom relief. His goal is to help each patient lead a healthy, active, and pain-free life.

Dr. Karina Taylor

Renewed Wellness

www.renewedwellness.net

Dr. Karina Taylor is a native of Miami, Florida and graduated from Dade Christian High School. Afterwards she earned her Bachelors in Biology from Bethune Cookman University, her Masters Degree in Business Administration from The University of Phoenix, and her D.C. degree from Palmer Florida, in 2011. Dr. Karina moved to West Palm Beach to begin practice.

Dr. Karina is passionate about educating the community on health and wellness. Staying healthy from the inside out is a goal, not only at the clinic but a personal one as well. Dr. Karina's mission is that of "Excellence without Excuse", and she demonstrates that mission as a role model in the office and in the community. Her goal is to educate and adjust as many families and athletes as possible. She wants to help her patients reach optimal health through natural chiropractic care. She believes this is done best in an environment that encourages personal growth and development and recognizes the basic human need to feel in control of your body.
