*According to the State of Florida Safety in Private Spaces Act, restrooms are designated for exclusive use by males or females, determined by an individual's biological sex at birth, as defined in Section 553.865 (3), F.S. There also are all-gender restrooms and changing facilities available on campus. Failure to comply with this law could result in discipline. For more information, see www.palmer.edu/about-us/office-of-compliance/institutional-policies/.
