PALMER College of Chiropractic
The Trusted Leader in Chiropractic Education®

Palmer College Davenport Homecoming 2026
State Board Specific CE Requirement and Course Approvals
Continuing Education

This list of classes has been approved by the state board referenced for specific CE state requirements.
Doctors of Chiropractic may earn up to 24 continuing education hours depending on your state board's approval and package purchased during the 3-day CE Program Event.

Approval statuses are subject to change based on state board decisions and communications that may not be received promptly. It is up to the Participants and Licensees to verify current approval status with their individual state licensing board directly. Final authority for CE Course Program credit(s) acceptance rests with the individual state licensing board.
